PREQUALIFIED NDDOT CONSULTANT LIST

You requested to be pre-qualified in G. Bridge Inspection. The NDDOT has decided to pre-qualify you in the following areas:

G. Bridge Inspection

Your certification as a pre-qualified consultant in this area is effective March 9, 2020. State Law limits the period of prequalification to **three years**. At that time, your company will need to become pre-qualified **again** with the NDDOT.

If you have any questions regarding our prequalification procedures, please contact me at 701-328-4407.
